

# Jinshuo Xia Xiang

## Front-End Developer

---

I'm a curious and proactive Junior Front-End Developer with a passion for turning ideas into real-world solutions through clean, efficient code. I thrive in both front-end and back-end development, enjoying the balance of logic and creativity. Driven by a love for problem-solving and continuous learning, I'm eager to grow, collaborate with diverse teams, and contribute to impactful projects.

---

## Work Experience

### Web developer

*Mercantec (2024)*

- Development of an interactive application from scratch using **Java** and **JavaScript**
